1. Please review and enter into CN/WCGroup Confidentiality Agreement before submitting data. See separate Confidentiality Agreement Instructions regarding review, signing and forwarding the Additional Party Supplement. If you need copies of these documents, please contact Martha Olson, 608-252-9234, mso@dewittross.com.
2. If your company's TMS or 3rd Party is able to provide the requested freight lane data more efficiently than using this type of spreadsheet, please contact Martha Olson, 608-252-9234, mso@dewittross.com, to arrange for delivery of the data in your preferred format.
3. Fill-in Freight Lane Information (use "Data" tab, below; ignore or remove sample data; add columns for additional freight lanes).
4. Fill-in Comments (use "Comments" tab, below. Cross-reference to Freight Lane No.).
5. Email Origin-Destination Data Worksheet to:
